

CRW User Conference

Oct 28 – Nov 16, 2010

Back by popular demand, CRW is taking our Conference on the road again this year, bringing the User Conference to a location near you. Find out the latest tips and tricks, as well as see the latest development for TRAKiT.NET Enterprise. There will be demonstrations from your peers, informational sessions with CRW, and new features created to enhance the TRAKiT experience. We hope to see you there!

CALL FOR PRESENTATIONS

CRW invites all conference participants to respond to our 2010 "Call for Presentations." Interested parties are asked to submit a brief abstract describing their agency and how they have used TRAKiT to improve their business processes. Selected authors will present a 30-45 minute session as part of the 2010 Conference and will be featured in our semi-annual newsletter.

Submit your abstract of 500 words or less via e-mail to jessica@crw.com by August 27, 2010. Entrants who have been selected to present at the conference will be notified before October 1, 2010. As a special bonus, CRW will waive the cost of this year's Conference registration for any selected Presenters.
